

Position Title: DERMATOLOGIST

JOB DESCRIPTION

Essential Functions: Catalyst Medical Center is a multi-specialty practice that is seeking a Dermatologist to add a specialty that complements our current offerings, and to grow. We require a highly motivated individual who will diagnose and treat conditions and diseases of the skin, hair and nails (such as fungal infections, acne, birthmarks, skin cancer, eczema, warts and psoriasis). May also perform cosmetic procedures on the skin such as laser treatments and Botox Cosmetic and fillers. Opportunity exists for light travel to out other outreach locations.

If you share our passion for delivering the highest standard of care, and if you are searching for a place where your work and your life can peacefully coexist, we invite you to join us at Catalyst Medical Center.

PRACTICE SPECIFICS

- Opportunity to develop a practice within a practice
- Large and growing patient base, and referrals from independent network of physicians and hospitals to begin the foundation of your practice
- New 14,000 sq. ft green and highly visible facility
- Current practice offerings: otolaryngology, allergy, audiology, facial plastics, cosmetic and skincare
- Average clinic visits 30-40 a day

REQUIREMENTS

The ideal candidate will have completed an accredited dermatology program and board eligible/board certified. Additionally, they will be dedicated to a high caliber of patient care.

SALARY AND BENEFIT PACKAGE

Excellent compensation and benefits including, productivity incentive, generous vacation allotment, and malpractice insurance coverage.
